

****Eyeglass Factory Hosts Kids Day, celebrating thirty years: Free Eyeglasses and Eye Exams on December 15!****

On December 15, families are invited to bring their kids to the Eyeglass Factory location at Santa Barbara, one South Milpas Street where our team of experienced optometrists will conduct complimentary eye exams, and our Sales team will help to select and then provide a free pair of eyeglasses. Kids will have the opportunity to choose from a wide selection of stylish frames, allowing them to express their individuality while ensuring their vision is sharp. Our onsite lab will then ensure to deliver their new prescription eyeglasses that very same day.

In addition to eye exams and free eyeglasses, the Eyeglass Factory will have fun activities for kids, including games, crafts, and refreshments. Everyone is welcome to join us for a day of vision care and community spirit!

Kids must be 18 and under and be accompanied by a parent or guardian. We recommend arriving early, as spots may fill up quickly.

Help us spread the word about this important event! Together, we can ensure that all children in our community have the opportunity to see well and thrive.

For more information about Kids Day, please email Gregg at gregg@eyeglassfactory.com or call us at 805-965-9000.
