

Kids Day 2025

Free Eye Exams and Eyeglasses

On Sunday December 21, families are invited to bring their children to the Eyeglass Factory. Our experienced optometrists will conduct complimentary eye exams, and our Sales team will assist in selecting and providing a free pair of stylish eyeglasses. Children will have the opportunity to choose from a wide range of frames, allowing them to express their individuality while ensuring their vision is sharp. Our onsite lab will then deliver their new prescription eyeglasses that very same day!

In addition to eye exams and free eyeglasses, we will have fun activities for children, including games, crafts, and refreshments. Everyone is welcome to join us for a day of vision care and community spirit!

Help us spread the word about this important event! Together, we can ensure that all children in our community have the opportunity to see well and thrive.
